

Target Audience

Care and Support staff in a variety of settings, and Housing and Housing Support Teams who are providing direct care and support.

This course has been developed to support learners who manage and support others to provide quality outcomes for people with Autism. The course will give learners the opportunity to explore and consider further communication and support strategies, partnership working and contributing to planning for positive outcomes for each person being supported.

This course is delivered using a range of methods and resources including:

- ◆ Face to Face tutor facilitation, questionnaires, videos and scenarios for breakout groups, questioning and participation and an end of session assessment.

This course has been developed and mapped to current occupational standards, qualification frameworks and the following documents and resources:

- ◆ Think Autism: Fulfilling and Rewarding Lives, the Strategy for Adults with Autism in England: An Update.
- ◆ Statutory Guidance for Local Authorities and NHS Organisations to Support Implementation of the Adult Autism Strategy
- ◆ Autism Act 2009
- ◆ DOH – Core Capabilities Framework for Supporting Autistic People

Course Content

- ◆ Personalised support
- ◆ Physical and Mental Health
- ◆ Communication and interaction
- ◆ Sensory processing and the environment
- ◆ Supporting changes through life

Learning Outcomes
