

## Target Audience

---

Care and Support staff in a variety of settings and Housing Support Teams who provide direct care and support where there are children and infants.

This two day course satisfies the guidelines and criteria as laid down by the Early Years Foundation Stage (EYFS) and OFSTED. It is therefore ideal for individuals who wish to gain a nationally accredited Level 2 Award.

In order to obtain this qualification, you must attend both days and complete the 2 units of accreditation.

### Assessment & Certification

Assessment of learning is ongoing throughout the course by the instructor through discussion, questioning, individual and group activities, practical work, observations and a multiple choice questions paper.

This course is fully accredited and on successful completion, learners will receive a 3 year qualification from our awarding body.

**This course is delivered using a range of methods and resources including:**

- ◆ Face to Face tutor facilitation, First Aid manikins, scenarios, first aid kits, group discussions, small group activities and video clips.

**This course has been developed and mapped to current occupational standards, qualification frameworks and the following documents and resources:**

- ◆ The Care Certificate Standard 12
- ◆ Health and Safety (First Aid) Regulations 1981 (as amended)
